MVP is the evolution of our sister restaurants Mark + Vinny's in Sydney, and Matcha Mylkbar in Melbourne. MVP (Mark + Vinny's Place) is dedicated to the real MVPs - the most valuable producers of Byron Bay, the artisans, the growers, the pioneers who are demonstrating what a more sustainable food system can look like - we hope to do them proud by showcasing their delicious produce! Our food is sourced sustainably, in-season and from farms with full traceability and integrity. Over 50% of the menu is plant-based, it is our belief that a less meat-heavy diet is crucial for the sustainability of our planet's resources and the longevity of our health. Mark & Vinny's place is your place, we are grateful for each and every customer that comes through the door, we hope to take you on a journey to the moon and back, the pasta-bilities are endless.
